# Easter Walk Thru - One last time!

So today marked the final workshop Inspire is to deliver in primary schools in Derby. Fittingly we ended as we began - with an Easter Walk Thru celebration.

The Year 1 children of 2024 enjoyed dressing up and waving palm branches to welcome 'King Jesus' into Jerusalem as much as those of 2004 had done!

Thankyou to all the schools who have welcomed Inspire through their doors in the past 20 years - especially those who have encouraged the Team to deliver their favourite workshops Easter workshops:-
